OPENING!

GRAND OPENING FOR/
STUDENT UNION SET

A ribbon-cutting ceremony, that would be the envy of the 293 pioneer students of the College in 1965 and the thousands of students since, will take place Thursday, February 16, with the grand opening of the Student Union.

At least one of the original 293 students will be present to view the ceremony - and to take part in it. Richard Bennecke, currently Student Union Coordinator who also happens to be the first Student Body President, will cut the ribbon, marking the official opening of the long-awaited facility.

After years of planning and waiting, in the Fall of 1976 sufficient money was accumulated in student union fees (\$321,548 since 1971) and through the sale of a \$500,000 bond issue, to contract for construction of the project, at a cost of approximately \$700,000 for building and furnishings.

All students, faculty and staff are invited to attend the open house. Events, beginning at 11:45 a.m. with a band, will continue with the actual ribbon-cutting at noon, held at the main entrance of the new building. The Bodie Mountain Express folk group will play until 3:30 p.m.

Other events, from 1 p.m. on, include a kite flying contest (prizes for the largest, smallest, and most original to become airborne), a 2 p.m. ping pong tournament in the multi-purpose room and at 3 p.m., a Frisbie tournament. All prizes will be various-sized beer mugs with the CSCSB insignia.

From noon on in the multi-purpose room free snacks, cheese, and dips will be on hand and beer will be sold for 20¢ a mug. Grinders will be available at \$1. Electric pin ball machines and a pool table will be open.

The festivities will continue until midnight, with dancing and live band music in the multi-purpose room.

General use of the building will start with the grand opening ceremonies.

Lecture

Dr. Carl Pfeiffer

Director of the Brain Bio Center
Princeton, N. J.

The effects of mineral excesses and deficiencies in causing mental and physical disorders will be discussed by the foremost specialist in the treatment of mental illness with vitamins and minerals in a lecture on campus Monday, February 13.

Dr. Carl C. Pfeiffer, director of the Brain Bio Center in Princeton, N.J., in a speech originally scheduled here last year but canceled because of sudden illness, will speak on "Trace Elements in Psychosis and Nu-

tritional Disease."

Dr. Pfeiffer has been a leader in subdividing schizophrenia into its biochemical parts and the first to use the combination of zinc and vitamin B-6 in the effective treatment of mental disease. Many mental conditions result from bodily malfunctions--especially the absence of vital nutrients, Dr. Pfeiffer believes.

The holder of both a medical degree and a Ph.D. in pharmacology, Dr. Pfeiffer is the author of a physician's guide to nutrition and health care, "Mental and Elemental Nutrients." He is also a regular columnist in Quarterly Health Magazine. He has written more than 240 papers in addition to several books.

The lecture will begin at 4:30 p.m. in LC-500. The College community and the public are invited to attend, free of charge. In addition to his lecture, Dr. Pfeiffer will visit classes. His visit to the campus has been arranged by Arlo Harris, Assoc. Prof., Chemistry.

**GERALD SCHERBA RECEIVES
MERIT CERTIFICATE AWARD**

Gerald Scherba, Vice President for Academic Affairs, recently was notified that he was awarded a State Merit Certificate and a check in the amount of \$40 under the state's Employee Suggestion System program.

Dr. Scherba's suggestion, originally submitted over two years ago, called attention to the Board of Control section dealing with reimbursement of attendees of conferences for fees in excess of \$25. He suggested, because of the increased frequency of requests due to rising costs, that in the interest of economy the section be revised to increase the fee limitation to \$50 to bring it more into line with current practice and save paperwork.

**22 ADMINISTRATION STUDENTS
ADMITTED TO ACCOUNTANTS ASSN.**

Twenty-two CSCSB administration majors were presented with membership certificates for the National Assn. of Accountants (NAA) at a Pomona Valley Chapter meeting in Montclair. NAA is the largest management accounting association in the world, with over 80,000 members. Receiving certificates were Alexander McHardy, Alice Criswell, Harlene Boehm, William Kaehlert, Maurice Kataszek, Joyce Rader, Garcia Owens, Emily Alsop, Marion Haberkorn, Sue Ann Henderson, Nancy Hulec, Muriel Murray, Mary Reisenhofer, Mollie Rowan, Darrel Rupert, William Sheridan, Carol Spedding, Lorraine Stephens, Susan Swartzel, Danielle Carter, Marilyn O'Neal and Glen Sloan.

PERSONALS

Robert West (Education) is home recuperating from eye surgery performed in two separate operations for a detached retina. He is progressing well and is allowed telephone calls and limited visitors for short durations. His temporary address is Manor Trailer Park, #1, 1697 W. Highland Ave.; 887-3711.

Sympathy

The College has learned of the deaths of two students recently.

Julie Renae Richards, freshman psychology major, died on December 25, 1977.

Vernon Frank Rowell, senior psychology major, last enrolled at the College in the Spring 1977 quarter, died on January 8, 1978.

The College extends sincere sympathy to the families of the two students.

BLACK HISTORY WEEK
SET FOR FEB. 11-18

A variety of activities observing Black History Week is slated from February 11 through 18 at the College.

Highlighting the events will be a talk by guest lecturer, Dr. Donald Cheek, professor of education, social psychology at Cal Poly State U, San Luis Obispo. Dr. Cheek will speak on "A Cross-Cultural Approach to Assertive Training" at 9:30 a.m. in LC-500. The talk will be based on his publication Assertive Black... Puzzled White. The lecture will be presented February 15.

A recognition luncheon for all black faculty, staff, students and community members will follow the lecture. A series of workshops focusing on the speaker's topic will take place during the day.

Other activities include (Feb. 11) the Second Annual Black Student Union Basketball Tournament, with eight teams from local community colleges involved. Last year's winner, Cal State, Bakersfield will defend its title.

On February 14, 8-10 p.m., Student Union, an evening of gospel music will be presented. On February 16 an evening of dramatic presentations will be given from 7:30-9 p.m. in the Student Union. A talent show follows on February 17, 7-12 p.m., also in the Student Union, with \$90 in prizes being awarded. Admission to the talent show will be charged.

On the concluding day, February 18, at 6 p.m. the finals of the basketball tourney will be played. Arrangements for the Black History week are being coordinated by Yvette Cole, freshman.

WEST MEXICAN TOMB SCULPTURE
FEATURED IN ART GALLERY SHOW

A rare collection of west Mexican tomb sculpture, on exhibit for the first time ever, is currently on display in the Art Gallery.

Featured in this collection are freehand modelings of hollow clay figures and effigy-vessels that were used by west Mexican civilization nearly 2000 years ago as offerings to bury with their dead. These have been described as some of the finest tomb sculptured pieces ever seen.

The exhibit continues through February 28. The items are not expected to be shown publicly again.

The Gallery's hours are Monday-Friday, 9 a.m. to noon and 1 to 3 p.m.; Saturday afternoon, 1 to 4 p.m.
